

IMPORTANT – PLEASE READ

- You are seeing these terms and conditions because you wish to access the data contained in certain databases compiled by Frames Data Inc. (“FDI”) (as more specifically defined below, the “Data”). You may already have agreed to these terms as a condition of accessing the Data through another delivery method, but you need to agree to them here as well before you can receive the Data through this particular delivery method.
- **If you are not authorized to bind your company to these terms and conditions**, do not press the “Accept” displayed in the user interface. Speak with your manager and find out who in your company **is** authorized to do that on your company’s behalf.
- If you are authorized to bind your company to these terms and conditions, but **your company does not agree to these terms and conditions, and your company is not going to continue to subscribe to one of the Frames Data® databases through another delivery system**, do not press the “Accept” button displayed in the user interface and promptly **delete** any Data previously loaded into your system or in your possession or control and a principal or officer of your entity/company/practice shall certify in writing, under penalty of perjury, to FDI that you have done so.
- If your company agrees to these terms and conditions but **your company needs to use the Data on a centralized server to serve to multiple locations or in any other way for a practice with multiple locations**, regardless of whether data is transmitted to those locations, and your company does not already have a license to use the Data in more than one location, then, **in addition to clicking “Accept,” you need to notify FDI of the number of locations in which you wish to use the Data, sign a Multiple-Location Agreement, and pay the applicable fee**. If you do not do so, and FDI discovers that you have been distributing the Data to multiple locations, FDI may terminate your access to the Data and/or charge you, and you will be obligated to pay, a separate single license fee for each additional location.

These terms and conditions (this “Agreement”), which includes the data license and limited warranty, are an agreement between the person or entity that has paid the applicable subscription or license fee (individually or collectively, “Licensee”) and Frames Data Inc. with a business address of 100 Avenue of the Americas, 9th Floor, New York, New York 10013 (“Licensor”).

Licensor has developed certain databases relating to eyeglass frames and lenses, including, without limitation, the Frames Data® Quarterly, SPEX™ UPC, Tracing Points™ and all associated databases derived from the Frames Data® Database, which are available in electronic form (collectively, the “Data”); Licensee wishes to use the Data in Licensee’s practice or operations; and in exchange for Licensee’s payment of an annual subscription fee (the “License Fee”), Licensor is willing to provide Licensee with access to the Data through Licensor’s IDA Web service for PMS, Frames Data® Online, a Frames Data® CD-ROM and/or a Frames Data® DVD, whichever applies, for Licensee to use on the following terms and conditions:

1. Grant of License. In consideration of Licensee’s payment in full of the License Fee, however paid, Licensor hereby grants to Licensee a non-exclusive and revocable license (the “License”) to (a) access the Data, however delivered, from a computer or data device in a single store, facility or other physical location (each, a “Location”), unless Licensee has executed a separate supplemental agreement that permits Licensee to do so from more than one Location (a “Multiple-Location Agreement”), in which case, Licensee may access the Data from any computer in each of the locations where Licensee is authorized to use the Data under its Multiple-Location Agreement (each, an “Authorized Location”); and (b) display the Data on computers at all Authorized Locations,

all on condition that (i) Licensee comply with the restrictions and conditions stated in Section 2 of this Agreement and (ii) if Licensee uses the Data in more than one location but has not yet signed a Multiple-Location Agreement, Licensee sign a Multiple-Location Agreement.

2. Restrictions on Use of Data

- a. Unless Licensee has a Multiple-Location Agreement, Licensee shall not:
 - i. Access the Data on one or more computers in more than one Location.
 - ii. Transfer the Data from one Location to another Location.
 - iii. Copy any of the Data to a shared hard drive, a networked server or to any shared media storage device that would enable the transmission of the Data to another Location.
 - iv. Transmit or transfer the Data over a network of any kind to another Location;
- b. Under no circumstances shall Licensee:
 - i. Attempt to translate, reverse engineer, decompile, disassemble, modify or create derivative works based on the Data;
 - ii. Engage in or assist in the reproduction or use of the Data, in part or in whole, as part of any Internet Web Site, Intranet, exchange or other Internet portal;
 - iii. Extract any Data, or any images that are included in the Data, and reproduce, display or distribute such Data or images separately from the Data at its source;
 - iv. Create, directly or indirectly, any interface that permits reproduction or display of the Data (in whole or in part) in any view program without Licensor's express prior written consent;
 - v. Transfer, assign, rent, lease, sell or in any way make available or otherwise dispose of, the Data to any other party without Licensor's express written permission, which Licensor may withhold in its sole discretion. Licensor will not grant such consent from any party that has not agreed in writing to be bound by the terms and conditions of this Agreement.

3. Ownership. Licensee acknowledges that Licensor owns all right and title in the Data and that Licensee has only a license to view the Data as provided herein for as long as the Agreement remains in full force and effect.

4. Term. This Agreement and the License granted herein shall be effective (i) if Licensee is first accessing the Data on a CD-ROM or DVD or through Frames Data® Online, as soon as Licensee accesses the Data, and (ii) if Licensee is accessing the Data in connection with a PMS, upon the commencement of Licensee's PMS subscription, in each case until the expiration of Licensee's subscription to the Data, unless this Agreement is terminated before that as provided in Section 5 below.

5. Termination. Licensor shall have the right to terminate this Agreement immediately if Licensee breaches of any provisions of Section 2 of this Agreement and on 30 (thirty) days' written notice if Licensee breaches any other provision and fails to cure such breach within 30 (thirty) days.

6. Consequences of Termination or Expiration. Upon termination or expiration, Licensee immediately shall remove completely all copies of the Data from all computers in the Licensee's possession or control and a principal or officer of Licensee shall certify to Licensor in writing that Licensee has done so. Termination or expiration of this Agreement will result in the termination of Licensee's access to the Data through any and all

delivery channels, including, without limitation, Frames Data® online. If, however, Licensee's subscription to the Data through this particular delivery method expires, Licensee may retain the right to access the Data through other delivery methods if Licensee has paid a License Fee to access the Data through such other methods.

7. Audit. Licensor may conduct an audit, on reasonable written notice, during regular business hours, twice per calendar year, at Licensor's expense, to ensure Licensee's compliance with the terms of this Agreement. If Licensor discovers any copies of the Data anywhere other than the authorized Locations in which Licensee is permitted to use the Data, then, with respect to each unauthorized copy, Licensee shall pay, and Licensee hereby acknowledges that Licensee shall owe to Licensor, the full annual License Fee according to Licensor's then-current rate card. Licensor hereby waives any right to challenge an "account stated" claim by Licensor in such circumstances.

8. Updates. If Licensee is accessing the Data through a PMS, then as part of Licensee's PMS subscription, Licensee will receive updates automatically through the Frames Data® IDA Web Service as changes are made to the Data.
